

BATON DINING CHAIR

The Baton is a light and elegant chair meticulously designed for comfort, durability, and timeless good looks. The solid hardwood frame supports gently curved seat and back panels, and the seat can be upholstered in a wide range of fabrics and leathers.

The Baton's rounded feet are equipped with integral nylon glides to ensure the chair slides easily on any surface.

Frame: blackened oak or white oak, non-VOC oil finish
other woods may be available on request

Seat: fabric or leather, COM/COL on request
