

GLADSTONE STOOL

Clean forms and classic materials combine to create a counter- or bar-height stool that's comfortable, light, and durable.

The low back is carefully contoured to provide positive support, and the resilient seat is wrapped in a sheet of durable saddle leather or hand-woven from Danish cord.

Frame: white oak, blackened oak, or maple; non-VOC oil finish
Seat: Saddle leather (tan or brown), Danish cord (natural or black).

As shown:
Counter stool in white oak with brown leather
Bar stool in blackened oak with Danish cord

Dimensions:
Counter stool:
overall: 17" w, 21" d, 36" h
seat: 24.5" h, 17" d

Bar Stool:
overall: 17" w, 22.5" d, 42" h
seat: 30.5" h, 17" d
