

Ash (L), maple (R) with blue lacquer

TRIPOD TABLE LAMP

The Tripod table lamp features crisp angular lines and bold colour accents. The solid hardwood base is complemented by a conical white linen shade.

The base is available in naturally finished maple, white oak, or walnut with a contrasting interior colour, or in ash with a solid-colour lacquer finish.

The 8' cord is routed inside one of the legs for an uncluttered look. The single-turn socket will accept any standard medium-base bulb (8 to 10W LED suggested).

Dimensions:
Overall 23.5" h, 14" dia.
Shade 8"h, 14" dia.
